

## Memorial Funds Wish list

The Hope Ridge Finance team understands that the financial gifts given in memory of *You Loved One*, express thanksgiving for *their life* and leave a legacy of faith and life. We want to honor your wishes of how the funds will be used and direct them in a meaningful way. Please mark your desired designated use for these memorial funds and return to the Hope Ridge finance office at your convenience.

We, the family of \_\_\_\_\_, would like to designate all memorial funds given in memory of \_\_\_\_\_ to be used toward:

\_\_\_ 1. Undesignated Funds

These funds would be used at the discretion and recommendation of the finance team for the greatest needs of the congregation.

\_\_\_ 2. Trustees

These funds would be used at the discretion and recommendation of the trustees, and used to cover necessary projects that arise, including but not limited to capital improvements.

\_\_\_ 3. Mortgage pay down

These funds are set aside, and applied directly to the principal of our current mortgage.

\_\_\_ 4. Apportionments/ Connectional Funds

These funds may be used to serve the greater connectional church's needs through the District, Conference, and General church to support the mission of the United Methodist Church.

\_\_\_ 5. The Hope Fund (Permanent Endowment Fund)

This fund was established to provide continuous development and support for the ministry of Jesus Christ through the congregation of Hope Ridge United Methodist Church. The money will be added to the principal of the total endowment, where it can grow for future needs. The interest of the endowment is designated to be used for the outreach ministries of Hope Ridge United Methodist Church, major maintenance, major capital improvements, and other purposes consistent with the ministry objectives of the Church.
